

NORTH SHORE SCENIC TOUR

Monday, July 21, 2008

8:30 to 5:30

\$64 per person includes lunch

A trip to Duluth isn't complete without a drive up the scenic north shore of Lake Superior. Your first stop will be at Gooseberry Falls State Park where you'll meet architect David Salmela for a tour of his award-winning Visitor's Center. After viewing the falls, you'll head to the Northern Lights Café to enjoy a North Shore Sampler lunch. Lunch will be followed by a stop at the historic Split Rock Lighthouse. Before the end of the day, you'll also have a chance to browse handcrafts made by fifty local artisans at Northwoods Pioneer Gallery.
